QUESTIONS & ANSWERS

Mission Statement:

Jersey Intensity Field Hockey is committed to pushing every athlete to their maximum potential. We will provide athletes the opportunity to excel in field hockey with year-round practices and tournaments.

What type of player is Jersey Intensity looking for and what are the benefits of playing on a club team?

This elite training program is for those athletes who have the ability, desire and commitment to train at an intense level. We are looking for the player who is willing to give their time and energy to improve both as a team and individual player. JIFH is also looking for the athlete who wants to continue playing at the collegiate level. Players should be able to make the commitment to summer and fall practices for the Festival and/or Disney showcase. Practices will be held on the Monmouth University "So Sweet A Cat" Field Hockey Turf.

The Jersey Intensity field hockey staff is made up of ALL successful former college players and National Team members. We have all been through the recruiting process, both as players and as Division I college coaches, and are here to help as you and your family go through the recruiting process.

Year round training where every athlete is working to make it to the next level is one of the biggest benefits of playing on a club team. Playing in tournaments throughout the year not only improve your game but provide an opportunity for you to showcase your skills. College coaches are often in attendance at club tournaments.

What tournaments will the club enter?

After winning Gold in both the U-16 and U-19 (2 pools) age group, JIFH secured three coveted spots for the 2010 National Field Hockey Festival held over Thanksgiving in Phoenix, AZ. We will also be entering U-16 teams into the lottery for an additional U-16 festival entry. In addition to hockey fest, JIFH will be entering teams in the U-19, U-16, U-14 and U-12 age group for the Disney Showcase, Feb. 9-13th, 2011 (age for Disney is as of Jan. 1, 2011). Disney trials will take place at a later date once entries are confirmed. For more information on these events go to www.usfieldhockey.com. Teams will also be entered into Indoor tourneys during the winter and modified outdoor tourneys in the spring (indoor trials occur in Dec).

What age group is the club for?

Teams are forming for U-19, U-16 and U-14 Academy. Age as of January 1, 2010. **Example**– you must be 15 or younger on Jan. 1, 2010 in order to be eligible for the Under-16 FESTIVAL Team.

What is U-14 Academy Team?

The U-14 Academy program is for players wishing to train with our Elite level Club coaches. Players involved in training will be invited to play in local tournaments over the summer. It is great prep for our U-14 Disney trials. You are not guaranteed to make the U-14 team if you participate in the Academy but it can definitely help.

How much does it cost?

Players are responsible for practice fees, tournament fees, uniforms, coaching fees and travel.

How do I try out?

Fill out the enclosed forms and mail along with full payment to listed address. Space is limited so no walk-ups will be able to participate.

Please fill out registration info below and parental release form on next page and mail along with payment (checks payable to **Jersey Intensity Field Hockey**) to **6 Columbus Drive, Monmouth Beach, NJ 07750**. \$15 fee charged for returned checks. A confirmation e-mail with more information will be sent after form is received.

Note: These try-outs are for athletes wishing and able to go to the National Field Hockey Festival over Thanksgiving in Phoenix, AZ. Athletes will be notified through e-mail if they make one of the teams (please include working, LEGIBLE e-mail address). Also note that though we would like to be able to accommodate everyone, not everyone will make a **travelling team**.
